DEBBIE G. MOLINA, CITY SECRETARY

City Manager's Report May 21st, 2018

*Public Works Director-Mark Shows has been appointed the new Public Works Director. Mark is a graduate of Jourdanton High School, and has worked for the city at the sports complex where he has done outstanding work keeping fields and support buildings in excellent shape. Mark has a very good working knowledge of heavy equipment and I expect his personality will lend itself to improving the morale and operation of our public works department.

*Resignations- Teddy Lindbloom and Roland Mosqueda, both resigned since the last council meeting. Both were Public Works employees.

*Streets- Public Works crews have continued with patching projects around the city. The 500-600 block of Olive St, as well as Indian Crossing have been worked on, as well as Olive St on the east side of Hwy 16. Certain sections of Hickory that were badly deteriorated have been improved as well.

*We have scheduled a "Movie Night" at the Jourdanton Sports Complex on June 15th. Bring your lawn chair and enjoy a movie outdoors. This is a free event and is sponsored by the Atascosa Family Crisis Center.

*Water- Leaks are addressed on an "as needed" basis.

*TMRS- A TMRS representative will be here to discuss our retirement plans and how it effects our employee retention and our ability to recruit in every department.

*Sewers- Have met with M&S Engineering regarding manhole project behind JISD and lift station overhaul. You will have before you tonight a variety of options to complete this project.

*Peach Well Radium issue- We are working with Langford Associates to submit a Project Information Form to TWDB to attempt to receive emergency funds to assist with a new water well. The Peach Well remains off-line and required notices regarding that well will be re-mailed next month.

*Mowing/Shredding- Public works as identified several trees that have been and/or are being trimmed or removed to clear right of ways and make it safer for vehicle traffic. Crews are also

addressing the mowing and shredding of right of ways to improve aesthetics and help control rodent and snake issues.

*We rarely have new restaurants open in our city and I was pleased to see that "Joe's Place" has had a soft grand re-opening. I have been in contact with management and expressed our support in helping them, or any other business, make a successful "home" in Jourdanton.

* I represented the City of Jourdanton this month at two ribbon cuttings, both of which occurred at the Methodist- South Hospital. One was for the medical helicopter operation now based at Methodist South and the other for Peripheral Vascular Associates who now have an office in the Steinle Building.

Should you have any questions or concerns that have not been addressed here, my door is always open and I encourage you to contact me.

Eric Kaiser,

Eric Kaiser

JOURDANTON
