These rules and policies may be supplemented with administrative regulations in addition to the rules and policies set forth. For this reason, considerable latitude is given the City Manager for administration of these policies. It is expected that amendments and revisions affecting personnel policies will be made from time to time as necessary and desirable in the discretion of the City Manager, subject to approval by the City Council.

The personal appearance of City employees is important because the impression that employees make on visitors influences their image of the City. Therefore, employees are expected to maintain a neat, well-

groomed appearance at all times, to present themselves in a professional manner, and to avoid extremes in dress.

Employees are expected to use good judgment in their appearance and grooming, keeping in mind the nature of their work, their own safety and that of coworkers, and their need to interact with the public.

Employees who report to work improperly dressed or groomed may be instructed by their supervisor or manager, at his or her discretion, to return home to change. The time that the employee is absent for this purpose will be charged toward annual leave or must be made up.

General Guidelines

For purposes of clarifying what does or does not constitute appropriate dress, the following ground rules shall serve as a guide. In addition to these standards, the City reserves the right to address individual issues as they arise.

(a) Jewelry: Two earrings are permitted per ear. Earrings, bracelets and necklaces should be in keeping with business casual dress.

(b) Nails: Nails should be neatly trimmed and only fingernail polish that is in keeping with business casual dress should be worn.

(c) Hair: Hair must be neatly groomed and worn in a style that is in keeping with the business dress policy of moderation.

(g) Fragrance: Mild or light fragrances may be worn by employees. Employees will be asked to refrain from the use of fragrance if it is irritating to coworkers.

(h) Women's Clothing: In general, women's clothing should be professional in appearance. Shorts are not permitted. Skirt and dress lengths should not be more than three inches above the knee. Tailored slacks and pant-suits are permitted. Dress shoes with heels that are low to medium in height are preferred.

City of Jourdanton Personnel Policy Manual

- (h) Strapless or spaghetti-strap sun-dresses

Employee cooperation in following these guidelines will ensure that all employees may continue to enjoy the benefits of "business casual" Fridays.

Section 4.13. Outside Activities.

To protect the City from potential liabilities, employees may not engage in any outside employment, activity, or enterprise determined by the City Manager (1) to be inconsistent or incompatible with employment with the city; or (2) to affect the employee's job performance adversely. Examples of outside activities that may conflict with city employment include construction or installation that may be inspected or regulated by the employee's city department, employment by a major contractor of the city, or employment that results in fatigue while on city duty. All applications for outside employment and notification of a job outside of the City shall be turned into Human Resources.

To avoid conflicts of interest and potential liability on the part of the City, an employee must have the advance written approval of his or her department head to engage in any outside employment, including self-employment. The approval of both the department head and the City Manager is required. In addition, when an employee's approved outside employment ceases, the employee must notify his or her department head, who must in turn notify the City Manager. A copy of this written approval will be kept in the employee's official personnel file.

If a city employee is injured on the job in the course of employment outside of his or her employment with the City, the employee may not file a workers' compensation claim against the city for benefits related to the injury, although the City Manager may have determined that the outside employment satisfied the city's prerequisites.

The City accepts no liability for any action, failure to act, injury to self or others, property damage, or any other damage resulting from outside employment by a city employee. (**Resolution # 555 adopted 2-28-2022**)

City of Jourdanton Personnel Policy Manual

Employees are not covered by the City's workers compensation insurance while working for another employer. Approval for outside employment as set out in this policy does not authorize an employee on FMLA leave, sick leave, disability leave, workers' compensation leave, administrative leave, any unpaid leave, or absence, or on restricted or light duty to engage in any outside employment. Any exceptions must be expressly authorized in writing by the department head or by the City Manager.

Non-exempt employees may receive overtime, or if an agreement is arrived at between the Department Head and the employee before the performance of work, the employee may accrue compensatory time. All non-exempt employees required to work overtime shall be compensated at one and one-half times their regular rate of pay. Information regarding overtime must be documented on time sheet and approved by Department Head.

(g) Maximum number of compensatory time allowed to carry over each year is 40 hours.

The vital nature of certain city services requires that some employees be available in an "on call" status in the evenings and over holidays and weekends to ensure the continuity of those vital services.

Designated personnel by the Department Heads in the Public Works shall be paid an additional \$75.00 for each week while on call as a shift premium. No other employees will receive the shift premium while on call but will be paid the overtime pay in accordance with the FLSA compensation requirements delineated below.

If an employee has an unexpected absence, the employee shall call or notify his/her supervisor within the hour prior to when the employee is to report to work. Failure to notify the supervisor may result in disciplinary action. Excessive tardiness, neglect of duties, or unauthorized absences will be grounds for dismissal. If the immediate supervisor is not available

City of Jourdanton Personnel Policy Manual

to report the unexpected absence, the employee shall report to the City Manager directly. Public safety employees shall report to the next person in the chain of command if their immediate supervisor is not available. All Department Heads shall report all expected absences for training, vacation and other planned leave as soon as known but not later than two weeks prior to such leave, unless good cause exists for less notice. All Department Heads shall report to the City Manager any sick leave to be taken as soon as such is known. The Department Head shall ensure adequate supervision of the department in the absence of the Department Head. If no other supervisor exists for the department, the City Manager, or Designee, shall supervise the attendance of the department in the Department Head's absence and designate a supervisor of such department. All Department Heads shall keep attendance records of employees and all absences shall be reported and turned in with the department time sheets each pay period. Department Heads shall report personal vacation time and sick time each pay period to the City Manager or Designee. Department Heads shall be responsible for keeping true and accurate attendance records for each employee and ensuring each employee's attendance in compliance with this policy manual. The City Manager may check time sheets for any department for accuracy.

Section 5.07. Holidays.

The City will observe the following holiday schedule.

New Year's Day	Labor Day	Birthday day off
President's Day	Columbus Day	
Good Friday	Thanksgiving Day	
Memorial Day	Friday after Thanksgiving	
4th of July	Christmas Eve	
Veteran's Day	Christmas Day	
	MLK Day	

The City Council may add, change, or delete the official holidays. The following provisions shall apply to holidays:

(a) As many employees as reasonably possible in the discretion of the City Manager shall be given each holiday off consistent with the maintenance of essential municipal functions.

(b) Regular full-time employees shall be entitled to a paid/credited holiday equal to eight (8) hours of such employee's regular rate of pay. No hours worked will be reflected on the employee's time sheets for holidays for which the employee is paid and does not work. Police Officers working holidays will be paid/credited holiday pay equal to eight (8) hours of such employee's regular rate of pay.

(c) For all employees regularly scheduled to work Monday through Friday, if a holiday falls on Sunday, the holiday will be observed the following Monday. If a holiday falls on a Saturday, the holiday will be observed the preceding Friday. For all other employees working a seven-day a week flexible schedule, the holiday shall be observed on the day upon which it falls.

(d) Temporary, part-time, and seasonal employees may be given holidays off without pay.

(e) An employee absent without leave on the workday immediately preceding or immediately following a holiday shall forfeit pay for the holiday and the other days off without leave, and may be subject to disciplinary action.

City of Jourdanton Personnel Policy Manual

(f) Holidays falling within an employee's approved vacation period or within a period of absence approved for sick leave shall not be charged against the vacation or sick leave.

(g) An employee desiring to observe a religious holiday other than a listed City holiday, may, with the advance approval of the City Manager or Department Head, be given time off without pay or may use accrued vacation leave.

(h) No holiday pay/credit will be granted for an employee who is out on an occupational injury.

Section 5.08. Sick Leave.

(a) Definition and Accrual Rates. Sick leave is defined as fully compensable absence from work arising from any illness, sickness, off the job accidental injury, or on the job injury as defined or allowed by Section 11 of this Article. All regular full-time employees shall accrue 3.07 hours of sick leave per pay period. Sick leave credit will commence with the first full month of employment. Temporary and part-time employees shall not accrue sick leave.

(b) Maximum Sick Leave Accrual. A maximum of sixty (60) accumulated paid sick days (480 hours) may be carried forward from one year to the next. Paid sick days must be earned before being granted. When the maximum accrual is reached, no additional paid sick leave accrues until the employee uses sick leave. Earned unused paid sick days are not paid upon retirement or termination of employment for any reason. An employee become ineligible for paid sick day benefits upon giving notice of resignation.

Employees off work for more than fifteen (15) working days for an illness, injury or occupational injury will not accrue sick leave while away from work. Once the employee is released by their physician to return to work and the employee resumes full-time duties, the accrual will resume as provided in (a) above.

(c) Proper Use of Sick Leave. Sick leave shall not be considered as a right which the employee may use at the employee's discretion, but shall be allowed only in a case of necessity and actual illness or disability of the employee, the employee's spouse, or a dependent child, mother or father of the employee or the employee's spouse, or other legal dependent of the employee or the employee's spouse; provided that the Designee may authorize the use of sick leave in appropriate circumstances in which a non-dependent child, mother, father, or a spouse's child, mother or father require medical procedures or temporary care.

Paid sick day benefits are not to be used for any purpose other than medical conditions of the employee or their immediate family as defined above. Any attempt to obtain paid sick day benefits by fraud will subject the employee to dismissal.

Paid sick days may be utilized for medical/dental appointments. Medical/dental appointments should be scheduled when the absence will least impact the department's activities. Employees should consult with their supervisor before scheduling such appointments. A supervisor can require an employee to reschedule a routine appointment to better suit the departmental work schedule. All requests for sick leave for non-emergency medical or dental appointments are to be submitted no less than two weeks prior to the appointment.

Employees who consistently use their sick leave as it is earned or who fail to accumulate sick leave may be required to submit a doctor's statement in support of illness. Failure to present same, if requested by Department Head, may result in such absence being recorded as "leave without pay" and may

subject the employee to adverse action under Article 8. Minor ailments which would not affect the safety or health of the employee or other persons or property while performing job duties do not qualify an employee for sick leave.

(d) Reporting Sick Leave Absences. In order to receive compensation while on sick leave, an employee shall notify the employee's immediate supervisor within the hour prior to the time set for the employee to begin the employee's daily duties. If the employee is unable to contact his/her supervisor, the employee shall notify the supervisor's designee. Failure to give such notification, except in emergency or unusual circumstances, will cause an employee's absence to be charged as "leave without pay", and shall subject the employee to disciplinary action.

(e) Evidence of Illness. An employee claiming absence due to illness or injury for three (3) days or more is required to produce a doctor's statement supporting the time of absence, and a release from the doctor in writing when able to return to work. Failure to provide such a doctor's statement may result in disciplinary action.

(Resolution 468, Article 5. (entitled "Attendance and Leave") Section 5.08 (entitled "Sick Leave"), adopted 11/19/18)

Section 5.09. Sick leave donation

(a) The City Manager may allow employees the ability to donate accrued annual leave time for the benefit of another employee as sick leave as specified in this policy, if the receiving employee's leave balances have been exhausted and if exigent circumstances exist to justify such a donation.

(b) To qualify for a donation, the employee receiving a donation must meet the following criteria;

- (i) Must have exhausted all paid time off accrual accounts;
- (ii) Must otherwise be in good standing with the City;
- (iii) Must have a reasonable probability of returning to work on a full-time status;
- (iv) Must be under a substantial hardship caused by the sick leave or disability leave status.

(c) To qualify as a donor, the employee willing to give a donation must meet the following criteria:

- (i) Must be on active work status;
- (ii) Must have a minimum of forty accrued sick leave hours;
- (iii) Must sign a form permanently donating sick leave to a specific employee.

(d) Whether a sick leave donation will be allowed, and the extent to which it is allowed in for a donation, shall fall within the sole and exclusive discretion of the City Manager.

(e) Donated sick leave may not be taken back or otherwise rescinded or returned to the donating employee. Once approved, the donated leave remains with the receiving employee.

(f) Donated leave will be paid based on the hourly rate of the person who receives the donated hours, not at the rate of the donating employee.

Section 5.10. Military Leave.

Military leave with pay shall not exceed fifteen (15) days during any calendar year and will be granted to regular full-time employees of the City who attend regular annual military training duty, and meet the

requirements listed below. This leave must be scheduled with the Department Head and City Manager, and shall be granted without loss of time or efficiency rating. Supporting documents and leave orders should be furnished to the Department Supervisor prior to taking leave. Such documents shall be placed with the timesheets. During the period of military duty, employees will receive a portion of wages in addition to their military pay to equal their current salary.

(a) Leave Credit. No credit for vacation leave or sick leave shall accrue during military leave that extends for more than 15 days in any one year. The employee's health, dental, and life insurance provided by the City at the time the military leave is taken will remain in effect during the time on leave for up to twelve (12) calendar weeks.

(b) Military Leave Allowance. Military leave will be permitted as required by §437.202, Texas Government Code., which provides in part as follows:

(i) All officers and employees of the State of Texas and of any county or political subdivision thereof, including municipalities, who shall be members of the State Military Forces, or members of any of the Reserve Components of the Armed Forces, shall be entitled to leave of absence from their respective duties without loss of time or efficiency rating or vacation time or salary on all days during which they shall be engaged in authorized training or duty ordered or authorized by proper authority, for not to exceed fifteen (15) days in any one calendar year."

(ii) Members of the State Military forces, or members of any of the reserve components of the Armed Forces who are in the employ of the State of Texas, who are ordered to duty by proper authority shall, when relieved from duty, be restored to the position held by them when ordered to duty."

(c) Retirement System Credits. Employees who leave their deposits with the retirement system while on military leave shall retain their membership in the retirement system. The rules and regulations of the retirement system and federal law shall be applicable and control.

(d) Reinstatement Upon Return from Military Leave. All employees who have been granted a military leave of absence, and who apply for reinstatement with the City not later than thirty (30) days after being discharged or separated from the Armed Forces, will be re-employed in the same position or a position of like seniority and status at the then current rate of pay; provided that such employee is physically and mentally qualified for reinstatement. If, upon termination of such leave of absence, an employee is physically or mentally incapacitated and not qualified to perform the duties of the position held at the time of commencement of such absence, the employee shall be eligible for placement in such other position for which the employee may qualify. In the event two or more employees have occupied the same position and have been called into service, the first employee occupying and leaving such position after the effective date of this policy shall have first priority on reinstatement, the second person occupying and leaving such position shall have second priority, etc.

Section 5.11. Maternity and Emergency Leave.

(a) Maternity Leave. An employee shall be entitled to non-compensable maternity leave. An employee may be required to begin maternity leave at any point during the period of pregnancy if her physical condition unreasonably impairs her ability to perform the essential duties of her position. Such employee

will be entitled to resume work following the pregnancy when she is able to perform her job duties without danger to her health.

(b) Bereavement Leave. All regular full-time employees may be granted emergency leave with pay for a period not to exceed three (3) days, or two (2) days for police officers working a twelve (12) hour shift in case of death of a husband, wife, father, mother, son, daughter, brother, sister, grandchild or grandparent of the employee or employee's spouse. Part-time and temporary employees may be granted leave of absence without pay in such cases. Time extensions may be granted with Department Head approval, or City Manager approval.

Section 5.12. Injuries.

(a) General. Leave resulting from or necessitated by any cause, including injury and/or illness, shall not exceed 180 consecutive calendar days. Leave for more than 180 consecutive calendar days constitutes an unusual hardship on the City and may result in termination of employment. The City will have the right to follow the usual procedure to fill any position previously held by an employee that has been on leave for more than 180 days.

(b) Injury On the Job (Leave and Compensation). Injury leave is defined as compensable absence from work arising from an on the job accidental injury. When an employee is injured on the job, such injury shall be immediately reported to the employee's supervisor, who shall take the steps the supervisor feels necessary to secure proper first aid or other treatment for the injured employee. The employee shall also complete an accident report and forward copies to the Designee within twenty-four (24) hours of the accident. The Department Head shall, to the extent the Department Head is aware of the injury, be further responsible for causing the report to be promptly completed and delivered to the Designee.

An employee injured on the job shall be granted injury leave, without pay except as listed below, for the period of time the employee is unable to perform the duties of the job. A doctor's statement that the employee is unable to return to work shall be required for an employee to receive injury leave. The continuation of injury leave so granted shall be in the discretion of the City and, subject to these policies and applicable law, may be terminated at any time. No employee injured on the job who is unable to return to work after fifteen (15) days shall accrue vacation leave or sick leave during the time away from work. While the employee is off work, and when physically able to do so, the employee shall make routine trips to visit with the Department Head on a weekly basis. The employee is responsible for getting to and from any follow-up doctor visits until a release from their physician is granted. Once the employee is released by their physician to return to work and actually returns to work, the employee will begin accruing vacation leave and sick leave as determined by the employee's years of service.

Any employee so injured on the job shall be covered by and entitled to the benefits provided under the Texas Worker's Compensation Act. Such employee's fitness and duty to return to work shall be determined under the provisions of the Worker's Compensation Act. During the period of such injury leave, the employee's compensation will be made up from:

- (a) the weekly benefits payable under the Worker's Compensation Act;
- (b) the disability benefits, if any, payable under the City group health and accident insurance program; and

(c) sick leave pay, from sick leave accrued prior to the injury, if any, in an amount that when combined with other benefit payments may equal but shall not exceed the employee's regular salary. An employee shall forfeit all rights to injury leave, as distinguished from the employee's rights under the Worker's Compensation Act, if the employee:

(i) is found to be working on a self-employed basis or for any other employer during such period of leave, either part-time or full-time, for financial gain,

(ii) resigns from City employment,

(iii) is discharged, retires or dies,

(iv) fails or refuses to comply with or follow, or disregards or violates the treating physician's instructions regarding treatment and/or rehabilitation of the injury,

(v) refuses to perform light, partial or part-time duty when offered by the Department Head and which does not require the employee to perform activities which are restricted by the treating physician,

(vi) falsifies or misrepresents his/her physical condition or capacity,

(vii) refuses to return to duty on the working day the employee has been released to duty by the treating physician,

(viii) fails to submit an acceptable physician's statement when requested by the employee's supervisor. A written release from the treating physician shall be required before the injured employee shall be allowed to return to work for either light duty or regular duties.

(c) Non Job Related Injury (Leave and Compensation). An employee injured or becoming ill off the job shall have the resulting absence from work, if any, charged against the employee's accumulated sick leave at a rate of one full hour for each full working hour's absence. During the period of such absence from work the employee's compensation will be made from:

(i) the benefits payable under the City group health and accident insurance program, if any;

(ii) any compensation which may be received as a result of employment by an outside insured employer, if any, provided that if such compensation is wages for time worked, the continuing compensation of the employee by the City will be subject to the Designee's approval; and

(iii) payment from the City so as to make the total income equal to (but never in excess) of the employee's regular salary. Such payments by the City under (B)(C) above, shall be made only for such sick leave time as the employee may have accumulated to the employee's credit.

After the expiration of the employee's sick leave time all compensation payment by the City will cease and the employee will draw compensation benefits only from (A) and (B) above at the rates and in the amounts prescribed by the applicable insurance policies involved.

(d) Accidents Involving Motorized Equipment. If an employee is injured while operating motorized City equipment or if an auto accident in which the employee is injured occurs while the employee is on duty, a motor vehicle accident report form, as provided by the State, may be prepared by the City's Police Department. The Designee and Department Head shall be immediately notified and the Department Head shall respond to the scene of the accident. If able to do so, it shall be the employee's duty to notify the

City of Jourdanton Personnel Policy Manual

Department Head. It is the Department Head's responsibility to notify the Designee. A copy of the Police Department's accident report, and, to the extent possible given the employee's injuries, an accident report completed by the employee and the Department Head, shall be filed with the HR Office within 24 hours. All employees involved in accidents while operating City owned motorized equipment, consisting of damage greater than fifty dollars (\$50), between the hours of 8 am and 5 pm, Monday through Friday, must immediately be taken to lab for drug screen. After hours, in a situation when the employee must return to work which requires motorized equipment, a supervisor must take the employee for an immediate test. The supervisor will instruct the facility to call the HR designee with the results of the test before the employee is allowed to return to work. The HR designee will be on call 24/7. In all other after hours incidents, the employee must be taken off all motorized equipment until the test can be conducted the next business day. The supervisor should notify HR at the beginning of the next business day of the accident. In any case where an employee is taken for medical treatment, the release form will authorize release of test data.

Section 5.13. Professional Leave with Pay.

Department Heads may grant employees special leave with pay and actual expenses to attend professional conferences, conventions or short courses or to visit other cities in the interest of the City, as authorized by the City Manager. The City Manager shall also determine whether or not an employee attending any such training will use a City vehicle, or be reimbursed for mileage for use of a personal vehicle.

Section 5.14. Leave to Attend Voting, Jury Duty, Court Subpoenas.

All employees will be allowed time off (with pay if regular full-time employee) to attend the civic duties of voting in elections, serving as members of jury panels, or appearing before any tribunal by virtue of subpoena or summons resulting from their City employment. All employees receiving a call to jury duty must promptly notify their supervisor. Regular full-time employees on jury duty shall be excused from duty without loss of pay. Should jury duty fall within a scheduled vacation period, the vacation period may be extended by a corresponding number of days, or the employee may schedule that number of days at another time. All employees who are requested to testify by the City, or who are subpoenaed as witnesses for the City or as a result of their employment with the City, shall appear in court, without loss of pay. Employees appearing in any matter unrelated to their City employment, or appearing voluntarily as an adversary witness against the City, shall not receive wages for answering a subpoena or testifying in court. Employees attending any administrative or judicial proceeding for personal business may use any vacation accrued to their credit for such purpose.

Section 5.15. Leave of Absence.

Department Heads may grant leaves of absence without pay to any employee, with the approval of the City Manager, not to exceed thirty (30) days in duration. Requests for such leave shall be in writing and submitted well in advance of the date the employee will commence such leave. Leaves of absence without pay may be granted for any legitimate purpose; however, employees will be obligated to show that the granting of such leave will not materially affect productivity of the Department. Leaves of absence without pay in no case shall exceed thirty days.

No employee may absent himself from duty for a day or any part of a day without permission of the employee's Department Head. Any such absence will be without pay and will subject the employee to disciplinary action.

Section 5.17. Physical Incapacity to Perform Assigned Work.

Once it is determined by the Department Head or the Department Head's designee, based on the assessment of a licensed medical doctor, that an employee is not able to perform the required physical duties or tasks of the present position (regardless of whether the incapacity is due to on the job injuries, off the job injuries, or illness), then that employee will not be returned to full duty with the City until a medical doctor states in writing that the employee is able to perform all the required physical tasks or duties of the position. Wherever possible, the City may provide light or modified duty to an employee who has been released by a physician to return to work in a limited capacity.

Under this policy, light duty is construed to mean a temporary modification of the employee's regular duties on a full or part-time basis or assignment within the department or within another City department to a funded position which is compatible with the employee's current physical capabilities as determined by the employee's treating physician. The Department Head may identify and determine the availability of light duty positions within the department.

Once an employee has exhausted all sick leave, vacation leave, or injury leave granted under the previous sections of this chapter, additional leave may be addressed under the Family Medical Leave Act (See: Article 5, Section 5.17). After any additional leave authorized by FMLA is exhausted employment may be terminated; provided the employee may retain the City's health insurance if the employee notifies the City Manager and pays the rate as established by the City as required by the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). Such coverage shall be limited to the minimum lengths of time established by COBRA.

Once it is determined by the Department Head or the Department Head's designee, based on the assessment of a licensed medical doctor, that an employee is not able to perform the required physical duties or tasks of the present position (regardless of whether the incapacity is due to on the job injuries, off the job injuries, or illness), then that employee will not be returned to full duty with the City until a medical doctor states in writing that the employee is able to perform all the required physical tasks or duties of the position. Wherever possible, the City may provide light or modified duty to an employee who has been released by a physician to return to work in a limited capacity.

Under this policy, light duty is construed to mean a temporary modification of the employee's regular duties on a full or part-time basis or assignment within the department or within another City department to a funded position which is compatible with the employee's current physical capabilities as determined by the employee's treating physician. The Department Head may identify and determine the availability of light duty positions within the department.

Once an employee has exhausted all sick leave, vacation leave, or injury leave granted under the previous sections of this chapter, additional leave may be addressed under the Family Medical Leave Act (See: Article 5, Section 5.17). The City may determine that, due to extenuating circumstances, an employee who is eligible for FMLA, and who has exhausted all leave options, may be eligible to have their employee only

City of Jourdanton Personnel Policy Manual

health insurance paid by the City for the remaining portion of the twelve (12) week period that the employee is eligible for FMLA leave.

After any additional leave authorized by FMLA is exhausted employment may be terminated; provided the employee may retain the City's health insurance if the employee notifies the City Manager and pays the rate as established by the City as required by the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). Such coverage shall be limited to the minimum lengths of time established by COBRA.

- d) Based upon the information provided to the department administration after the event, Mental Health Leave will be granted if ordered by a mental health professional or the Chief of Police/designee.
- e) Mental Health Leave hours will be recorded on the timesheet as regular hours, to provide anonymity. However, the City will keep requests to take mental health leave and any medical information related to mental health leave under this policy confidential to the extent allowed by law and separate from the employee's general personnel file. The agency cannot guarantee anonymity of information that is otherwise public or necessary to carry out the agency's duties under the law.

While on paid Mental Health Leave, the Peace Officer will not be required to use any other paid leave type (vacation, sick, holiday, compensatory time).

The City will provide certain employees with uniforms in order to assure a neat appearance, identify the worker as a municipal employee, and to protect the employee's personal clothing while performing the employee's job duties. Employees provided with uniforms must wear full uniforms. The cost of uniforms not returned upon separation from employment will be charged to the employee and, if such uniforms are not returned or the cost thereof paid, such fact shall be recorded in the employee's personnel file.

Uniform Policy

The uniform is to be worn at all times on the job by those who are issued uniforms. Employees reporting to work without their uniform may be sent home without pay until such time as they return with a uniform. This determination will be at the discretion of the department supervisor. The following is a list of requirements for the wearing of the City uniform:

- A clean uniform must be worn each day.
- Shirrtails must be tucked in at all times.
- Shirts must be buttoned.
- Long sleeves that are worn down must be buttoned.

Employees are not permitted to wear city uniforms outside of working hours. City uniforms may however be worn to functions or events where you are representing your department of the city, i.e. training/seminars, conferences, fund raisers, etc. Employees wearing a city uniform will be identified as a public servant and will be held to the highest standard of ethical conduct. If a uniform is damaged due to employee's negligence, the employee is responsible for the repairs to the uniform or if necessary, replacement of the uniform. If alterations or repairs are needed, it should be done in a manner that the uniform is to be restored as near to the original appearance as possible, in order to maintain the professional appearance and conformity with other City uniforms.

Steel-Toe Boots

Public Works Department (defined as Water, Wastewater, Street, and Parks Department) employees, while on the job, shall wear steel-toe boots/shoes at all times. Employees at the Sports Complex are not required to wear steel-toe boots/shoes. Once a year (twelve months from the last time steel-toe boots/shoes were provided to the employee) the City will provide up to \$150.00 towards the purchase of a pair of steel-toe boots/shoes. The City has agreements with several vendors in the area where the employees can purchase said steel-toe boots/shoes. The vendor will bill the City and payment will be made to the vendor. The City will also furnish one pair of rubber steel-toe boots for each employee of the Public Works Department. Employees reporting to work without their steel-toe boots/shoes may be sent home without pay until such time as they return with the proper footwear. This determination will be at the discretion of the department and supervisor.

Employees are responsible for the care of their boots/shoes. The boots/shoes are a part of the standard employee uniform, and as such are a condition of employment.

All employees of the City are covered, as applicable, under the State unemployment compensation program. This program provides payments for unemployed workers in certain circumstances as provided by law. The City pays an unemployment tax on behalf of each employee to finance this benefit.

Section 10.05. Insurance.

Life and health insurance are provided to all regular full-time employees through a group insurance policy. Life and health insurance are not provided to temporary, seasonal, or part-time employees. This insurance is provided by the City for the employee at no cost to the employee, subject to change by the City Council. At the employee's option and expense, dependent insurance coverage is also available. Coverage may be continued with certain limitations upon termination other than retirement provided the premiums are paid entirely by the employee. These limitations are consistent with the Consolidated Omnibus Budget Reconciliation Act (COBRA).

With the approval of the Department Head, the City will cover the cost of an employee taking a certification test. The City will pay for two tests. If the employee does not successfully pass the test in two tries, the employee will have to pay the cost of the third and any further testing for that particular certificate.

(Resolution 468, Article 10. (entitled "Benefits") Section 10.07 (entitled "Certification Testing"), adopted 11/19/18)

Article 11. Safety

Section 11.01. General.

These rules and procedures are subject to modification from time to time at the discretion of the City Council, or the City Manager waiving or varying these rules and procedures in a specific case or instance. Modifications will be considered as further opportunities are identified to provide for the safety and health of employees. Amendments are also considered as state, federal, or local safety laws and regulations change.

Article 12. Harassment

Section 12.01. Sexual Harassment Policy.

All employees should be able to enjoy a work environment free from all forms of unlawful discrimination, including sexual harassment.

(a) Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is motivated in whole or in part by a person's gender that is not welcome and is personally offensive, or that lowers morale and that, therefore, interferes with an employee's work effectiveness.

(b) Sexual harassment is a form of misconduct that undermines the integrity of the employment relationship.

(i) No employee, either male or female, should be subjected to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical. A finding that an employee has committed any form of sexual harassment will result, at minimum, in a written warning being issued and placed in the employee's personnel file.

(ii) No employee or officer of the City shall threaten or insinuate, either explicitly or implicitly, that an employee's refusal to submit to sexual advances will adversely affect the employee's employment, evaluation, wages, advancement, assigned duties, shifts or any other condition of employment or career development. A finding that an employee has committed any such form of sexual harassment will result in severe disciplinary action up to and including transfer, demotion, suspension, or termination from employment.

(c) Sexual harassment occurs in many forms, including but not limited to, unwelcome physical contact, verbal abuse, leering, gestures, and more subtle advances and pressure inviting sexual activity. Such conduct includes instances in which:

(i) Submission to the advances is made a term or condition for obtaining employment opportunities or avoiding adverse employment action;

(ii) Submission to or rejection of the advances is used as the basis for making any employment decision; or

(iii) Such conduct interferes with an individual's work performance or creates an intimidating, hostile, or offensive working environment.

(d) Sexual harassment of any type is strictly prohibited and will not be tolerated. If any employee feels they are being sexually harassed, they should promptly report such fact and advise the harasser that the conduct is offensive and that it must stop immediately. If any such unwelcome interest or conduct does not cease immediately upon demand by the employee, or if the employee is not comfortable confronting the harasser, the employee must report the matter to the employee's supervisor within twenty-four (24) hours. If such employee is unable or unwilling to speak with his/her supervisor about the alleged harassment, the conduct or incident must be reported directly to the next higher level of authority, the Department Head, the Designee, or the City Manager. Upon any supervisor, Department Head or officer, receiving a report of alleged sexual harassment, the Designee and all persons in the alleged offender's chain of command shall be advised of the report and appropriate action shall be promptly taken. The first

City of Jourdanton Personnel Policy Manual

action taken, in such event, shall include steps calculated to prevent recurrences of any such alleged incidents pending investigation and final resolution of the complaint. Each such report shall be investigated promptly and appropriate corrective action will be taken with the City Manager's concurrence.

(e) It will be the responsibility of the Designee to inform Department Heads and supervisors of the policy concerning non-discrimination, equal employment opportunities and sexual harassment, the gravity of such behavior and the procedure to be employed in the event an allegation develops. The Designee shall provide or cause the Department Heads and supervisors to receive training, with respect to recognizing and dealing with sexual harassment. Appendix 3 provides a sample form for reporting occurrences of sexual harassment.

(f) Each supervisor has a responsibility to communicate to employees that sexual harassment will not be tolerated and to make certain that employees are aware of this policy. This duty includes discussing this policy with all employees and assuring employees that employees are not to endure insulting, degrading or exploitative sexual treatment.

(g) Any employee who complains of sexual harassment in good faith will be protected against retaliation or reprisal for making the complaint. However, the City recognizes that false accusations of sexual harassment can have serious effects on innocent men and women, their reputation, and their families. False accusations of sexual harassment will result in severe disciplinary action up to and including termination.

Section 12.02 Other Forms of Harassment

Harassment is abusive, obscene or threatening conduct or communication that is intended to harass, annoy, alarm, torment, embarrass, or injure another person. While on duty or on Department premises, employees shall not use obscene or abusive language or offensive gestures in their communication with coworkers or members of the public. Employees shall not by oral, written, electronic or other means threaten or intimidate coworkers or members of the public; nor shall they physically endanger, intimidate, or injure them.

Article 13. Smoking Policy

Section 13.01. Smoking Policy.

Smoking or other use of tobacco products is prohibited in all City occupied buildings except in designated areas. No smoking or use of tobacco products will be allowed in areas shared with other employees or which are accessible to the general public. There will be no smoking or use of tobacco products in City vehicles, or City buildings. This would also include smokeless tobacco products.

Article 14. Drug Abuse Policy

Section 14.01. Statement of Purpose.

The City of JOURDANTON, Texas (the "City") maintains a firm commitment and effort to provide reliable service to its citizens, and a safe and healthy working environment for its employees and the community.

City of Jourdanton Personnel Policy Manual

While the vast majority of employees are not involved with illegal drugs or substance abuse, those who are involved in use, abuse, or trafficking, on or off the job, may have an adverse impact both on the health, safety and welfare of our citizens, the workplace and fellow employees; and may impair the City's ability and efforts to maintain a safe work environment that is free from the effects of drugs.

Section 14.02. Prohibitions.

The following conduct by employees of the City is prohibited and will result in appropriate action by the City, up to and including termination of employment.

(a) The use, possession, manufacture, distribution, dispersion or sale of illegal drugs or drug paraphernalia on City premises, in City supplied vehicles, or during working hours; provided that the prohibition against possession shall not apply to paraphernalia or drugs held as evidence under authority of the Chief of Police;

(b) Unauthorized use, possession, manufacture, distribution, dispensation or sale of a controlled substance, dangerous drugs or alcohol on City premises or while on City business, in City supplied vehicles, or during working hours;

(c) Storing in a locker, desk, automobile or other repository on City premises or property, any illegal drug, drug paraphernalia, controlled substance, or alcohol; provided that such prohibition shall not apply to the storage of any such substance in conjunction with the performance of public duties as authorized by the Chief of Police or the City Manager;

(d) Having an unauthorized controlled substance or illegal drug in one's system while on City premises or City business, in City supplied vehicles, or during working hours or being under the influence of alcohol and not reporting such to the immediate supervisor or, absent such supervisor, to any available supervisor;

(e) Switching or adulterating any urine sample submitted for testing;

(f) Refusing to report for testing immediately upon notification to do so by any supervisor, or refusing to consent to testing or to submit a urine sample when requested by a supervisor or management;

(g) Refusing to submit to an inspection when requested by any supervisor or management personnel;

(h) Failure by an employee to notify the Designee, or the City Manager of any arrest or conviction of such employee for, or with respect to, the illegal use, possession, control, sale or manufacture of any controlled substance, drug or alcohol, within five days after the arrest or conviction;

(i) Failure to report to the supervisor the use of any drug, prescription, non-prescription medication, or alcohol, which may affect the employee's job performance or safety, e.g. alter the employee's behavior or diminish or impair the employee's physical or mental capabilities;

(j) Refusing to sign a statement agreeing to abide by the City's drug abuse policy;

(k) Refusal by an employee in a safety sensitive position or other position required to adhere to provisions of this policy, as determined by the City, to sign an acknowledgment that the employee will submit to random, reasonable cause, and post-accident testing for drugs, and so long as the employee remains in the position covered by this policy;

(l) Refusal to complete a medical questionnaire and consent form prior to testing;

(m) Refusal to complete the toxicology chain of custody form after submission of a urine specimen;

The City reserves the right to test employees for drug use and/or relieve any employee from their job duties, when, in the opinion of the City, the use of drugs, legal or illegal, or alcohol, may be affecting the performance of the employee's job duties.

Section 14.03. Required Testing.

(a) General. The City shall have the right to require the following drug screening tests be done for all employees:

- (i) Pre-employment;
- (ii) Reasonable cause;
- (iii) Post Accident.

(b) Random Testing. Employees who serve in safety sensitive positions may be subject to random drug and alcohol tests.

Section 14.04. Required Testing.

Prior to the City taking action based on any test result, all applicants and employees who test positive for drugs will have the opportunity to discuss and explain the test results with the medical review officer.

(a) Pre-employment. The City requires that all newly hired employees be free of drug or alcohol abuse. Each offer of employment may be conditioned upon the passing of a urine test for drugs. The City may not hire any applicant who refuses to submit to, or fails to pass the pre-employment drug test.

(b) Reasonable Cause. Whenever management personnel reasonably suspects that an employee's work performance or on the job behavior is affected any way by drugs or alcohol, the City may require the employee to submit a urine sample for testing. Supervisors will be trained to recognize the effects of drug or alcohol use and before a reasonable cause test is administered, two supervisors must substantiate and concur in the decision to test. Normally the two supervisors are in the employee's chain of command; however, if two supervisors from the same chain of command are not available, another supervisor may be consulted. At least one of the two supervisors must have received training for detecting drug use. Any supervisor of the employee may substantiate and concur in a decision to test, even though that supervisor has not observed behavior of the employee indicating drug or alcohol use. The two supervisors may concur by phone. A supervisor must drive the employee to the testing site. Provided, however, that, upon the recommendation of any supervisor or Department Head of the City with respect to any employee, the Designee or the City Manager may authorize and/or direct that a drug and alcohol screening test be administered under this paragraph.

(c) Post Accident. All employees who are in an accident will be tested as soon as possible, if not immediately, after an accident. The Designee or the employee's supervisor must take the employee for drug testing after the accident.

Section 14.05. Discipline.

(a) Violations. If an employee tests positive for drug use, or violates any prohibition outlined in Section 2, the employee will be terminated except in extraordinary, mitigating circumstances as approved by the City Manager.

(b) Failure To Test. The failure to submit to required testing is prohibited and will result in immediate termination, except in the following circumstances:

(i) An employee in a position covered by this policy is randomly selected for testing and is on previously approved leave.

(ii) A supervisor determines that, due to an existing emergency, it is not feasible for an employee to leave the worksite for testing. This determination must be confirmed by the designated drug abuse representative. In such cases, the employee will be required to report for testing as soon as the emergency permits.

(iii) If the employee is physically unable to provide a urine specimen on demand, the employee will be retained at the collection site while waiting for the specimen to be provided. If an employee, after a reasonable period of time, is still unable to provide the sample, he/she may return to the work location; however, he/she must be under constant supervision until he/she is able to be driven back to the collection site and provide the sample. If he/she continues to be unable to provide the sample, he/she will be required to see a physician, to determine if the inability to provide a sample is caused by a medical reason. If the employee does have a medical reason that would hinder the employee's ability to provide the sample, the employee name will be returned to the random pool, if he/she is in a position covered by this policy. If the employee is not in a position covered by this policy and has been medically certified as unable to provide a specimen on demand, he/she will not be considered to have refused to submit to testing. If no medical reason exists, the employee will be considered to have refused to submit to testing and will be terminated.

Section 14.06. Medical Review Officer.

The City may retain the services of a Medical Review Officer. The Medical Review Officer is a licensed physician knowledgeable in the medical use of prescription drugs and pharmacology and the toxicology of drug abuse. The Medical Review Officer has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate an individual's positive test results together with such individual's medical history and any other relevant biomedical information. The appropriately certified testing laboratory will communicate test results only to the Medical

Review Officer. The Medical Review Officer shall review and interpret all test results and examine alternate medical explanations for any positive test results. As part of such review, the Medical Review Officer shall notify the employee or applicant receiving positive test results and offer the individual the opportunity for an interview, and the opportunity to submit any medical records, prescription drugs or other information that might explain the positive test results.

The Medical Review Officer shall determine whether the positive test results are scientifically sufficient to establish the presence of the prohibited substance, drug use. If the Medical Review Officer has reason

to question the accuracy or validity of a positive test result, the Medical Review Officer should review the laboratory's quality control data and other pertinent records.

The Medical Review Officer will report all test results to the designated drug abuse representative. The representative will inform the appropriate supervisor of the results, and appropriate action will be taken as outlined in this policy.

The employee who is notified of a positive result by the Medical Review Officer may make a written request for retesting within 60 days of receipt of the final test result from the Medical Review Officer. The original sample will be used for the retest. Retesting will be done by an N.I.D.A. certified laboratory at the expense of the employee, but the employee will be reimbursed by the City if the retest is negative. The decisions and findings of the Medical Review Officer shall be final and determinative.

The City may designate or contract with a testing facility to fulfill the requirements of the Medical Review Officer stated herein in the sole discretion of the City.

Section 14.07. Confidentiality and Record Keeping.

The results of all urine tests will be treated as confidential. Each applicant or employee will be required to sign a statement at the time of testing to allow release of the results to the City. This information will only be known to the testing laboratory, the Medical Review Officer, the designated drug abuse representative, and other employees with the "need to know" such as appropriate officers, the Designee and the employees' immediate supervisor. However, any governmental body may obtain the testing results as a part of an accident investigation, without the express written consent of the tested individual, provided the governmental body has legal authorization to secure such results. No drug test results will be released to a subsequent employer without the written consent of the employee.

All records pertaining to the Drug Testing Program will, as specified in 49 CFR Part 199.3, be maintained in a locked receptacle by the designated drug abuse representative. The list below shows the type of information to be maintained along with the minimum retention times:

Section 14.08. Coordination with Law Enforcement Agencies.

The City will report information concerning possession, distribution, or use of any illegal drugs to law enforcement officials and will turn over to the custody of law enforcement officials any such substances found during a search of an individual or property. Searches will only be conducted of individuals based on reasonable cause and only of their vehicles, lockers, desks, and closets when based on reasonable suspicion. The City will cooperate fully in the prosecution and/or conviction of any violation of the law.
