The day ordained by CITY Council for commencing residential solid waste collection and disposal service for the area known as the City of Jourdanton Contract 2025 shall be January 1, 2025.

The term of this Contract shall be for a one (5) year period beginning on the date of commencement of service approximately January 1, 2025 and the first term shall end December 31, 2029. All optional terms, if any, shall commence on January 1st.

The CITY shall have the option to renew this Contract for five (5) additional one-(1) year terms. There is no guarantee to the CONTRACTOR that the CITY will exercise this option to continue this contract beyond the initial 60-month period.

CONTRACTOR understands and agrees that if the CITY exercises its renewal option under this Agreement for additional one (1) year terms, the only adjustments to terms may be the CONTRACTOR'S compensation amount, as per the formula below, and adjustment for

decrease, increase or enlargement of the contract area. Modification of compensation for any renewal term shall be subject to a Consumer Price Index (CPI). The CPI adjustment used will be based on the US Department of Labor, Bureau of Labor Statistics, Consumer Price Index-Urban Wage Earners and Clerical Workers South Urban (all items) adjustment. This adjustment shall not vary more than five percent (5%) from the base compensation amount for each respective term year, and over the potential life of the contract (includes 5 optional term years) shall not exceed 15% of the original contract price fixed for the 2025 term year.

During the contract term, if the current level of CITY services as described in Table of Attachment C, is modified, the CITY reserves the right to renegotiate contract prices based on the level of services provided.

5) INTERRUPTION OF SERVICE

In the event that service is interrupted for any reason for more than forty-eight (48) hours, the CITY shall have the right to make temporary independent arrangements for the purposes of continuing this necessary sanitation service to customers in order to secure and protect the public health and safety. Any costs that the CITY incurs for addressing interruption or disruption of service shall be assessed to the CONTRACTOR. If the interruption in service mentioned herein continues for a period of seventy-two (72) hours, the CITY shall have the right to terminate the contract.

6) TERMINATION OF CONTRACT

- a. Independent of termination for material breach or cause recited elsewhere, this Contract or any portion of it may be terminated by the CITY by giving thirty (30) days written notice to the CONTRACTOR. The CITY retains this termination option without liability for default.
- b. If the CONTRACTOR terminates this Contract or any portion of it, the CONTRACTOR must notify the CITY in writing not less than ninety (90) days prior to termination. CONTRACTOR's termination, in absence of default by the CITY, shall subject CONTRACTOR's Performance Bond or Performance Deposit to CITY'S right to "call" or draw, according to the terms of this contract.
- c. In the event of termination by the CITY, and in absence of fault by CONTRACTOR, the CONTRACTOR shall be paid in full for all services performed up to termination date, subject to off-sets or adjustments, if any, as may be necessary to continue customer services.

- a. **Proposal Deposit:** All Proponents must furnish the CITY with a proposal deposit in the amount set forth in this Request for Proposal, being \$5,000.00. This deposit is submitted with the proposal response. No proposal is complete without the deposit

which must be a cashier's check payable to the City of Jourdanton. At conclusion of the solicitation and award process, this deposit will be returned to all Proponents. The deposits shall be retained by the CITY until a final contract is signed and all conditions necessary to the award are satisfied to vest the award in the successful Proponent. Deposits are intended to hold Proponents to the full execution of their respective proposals until conclusion of the award process.

- b. **Performance Bond:** If selected, the successful Proponent shall provide a performance bond made payable to the City of Jourdanton, executed by a corporate surety, acceptable to the CITY, who is licensed pursuant to the Texas Insurance Code, in the full amount of the contract price as estimated by projection of the CITY. Said bond must be in a form acceptable to CITY and as required by statute governing public works contracts. Said bond must have attached thereto a Power of Attorney as evidence of the authority of the person executing the bond to bind the surety. This bond must be furnished in compliance with the statutory requirements of the Texas Government Code, chapter 2253. The bond must be executed and delivered to CITY prior to The Performance Bond, and / or any alternative security for performance (as described below), must be current and in place for each respective term of the contract.
- c. In lieu of a statutory Performance Bond, a performance deposit shall be tendered in the form of a certified check in the full amount of the contract price upon a state or national bank or trust company signed by a duly authorized officer thereof (check to be drawn payable to the City of Jourdanton), or a Certificate of Deposit from such bank or trust company assigned to the CITY or irrevocable letter of credit from a state or national bank or trust company in favor of the CITY.
- d. If a performance deposit is made, instead of a Performance Bond, it will be returned to the CONTRACTOR upon completion of the contract to the CITY'S satisfaction.
- e. **Material Breach:** Subject to other provisions in this contract that may define specific termination options, failure of CONTRACTOR to perform any of the services required by this Contract within thirty days of receipt of the CITY'S written demand for performance, or failure of Proponent to correct or replace defective equipment, goods, or products within ten days from the receipt of written demand therefor, shall constitute a material breach of contract, and shall enable the CITY to cause this contract to terminate at the CITY'S option and discretion for protection of the public health, safety, and welfare. Due to the public health and safety implications of this contract dealing with matters exigent to sanitation, the CITY may deem a material breach of contract to occur because of CONTRACTOR'S failure to perform or cure within 10 days from date of notice demand to CONTRACTOR where and when any exigent health or sanitation condition or risk is deemed by the CITY to exist or is so deemed by the Director or Manager of the CITY'S Solid Waste Services Division. In the event of such termination the Performance Bond shall be "called"; or, in the case of deposit, the performance deposit shall be retained in its entirety by the City of Jourdanton as liquidated damages, based upon mutual agreement and understanding here between the CONTRACTOR and the CITY at the time the Contract is solicited, submitted and

accepted, that the CITY is a governmental entity, engaged in public projects, and that the measurement of damages which is likely to result from a breach of the terms and specifications herein is difficult to determine and that such liquidated damages are reasonable and necessary to enable the governmental entity to carry out its governmental functions, subject of this contract.
